- ◆ Archery league –Sayre not on the Penn York 3D Archery League schedule. We will have to hold our own. Will be on a Saturday. Will have everything we need to get started in 3 weeks, which will be when the rest of the supplies will be in from Wright's.
- ◆ Survival course –not enough people signed up – need 10-12 and have only 5 that have signed up. Will move to next month if there is not enough signed up for Feb. shoot. If not enough in March will plan to have it next year. The person in charge has own insurance and people participating will sign a release of liability.
- ◆ Gun rack – Bernie Sargent built a gun rack indoors for people to use.
- ◆ Clay birds –Club purchased 12 pallets of Clay Birds that arrived on January 12th. Need to send a thank you note to Waverly for their help unloading.

New Business:

- ◆ Scout Council – Ed Dawejko – Nick Ross is interested in hosting a venture scout group for 14-22 year old boys and girls. NRA has grants available to get it started and Wright's sporting goods, Alexander's, and Jeff Paul have offered to help. Would like to do archery, .22, and shotgun. Info meeting to be on Feb 20, 2010 to see how much interest there is. It will be ongoing throughout the year. Need to figure out cost.

- May 1, 2010; July 31, 2010; Sept 18, 2010
- ◆ Nominating committee for next year's directors – the nominating committee will be Glen Gorsline, Frank Bottone, Dave Redding, and Paul Brutscher.
- ◆ AED – Paul Brutscher – would like the club to consider getting a defibrillator – training would be \$25 a person. Is going to get more info for the next meeting on the cost to purchase, etc.
- ◆ Notary would like to hang sign from ours at the corner of Cotton Hollow and North Rome roads. Motion Approved.
