The turnout for Jack Petraskie's Memorial at the Club on January 16th was great. From donations and all proceeds from the skeet and trap fields, we were able to send \$386 to the American Heart Association in Jack's memory.

Other upcoming Events:

Visit our web site to see the schedules:

- ◆ IDPA Pistol Shoots start April 10th
- ◆ Summer Owl League starts April 10th at Sullivan Trail

Highlights from Club Meeting on 12/30/09:

- ◆ Old Business:
 - Lawnmower is at Dick's Wheelhorse for repair
 - Suggestions to raise money
 - Archery League
 - Indoor .22 league
 - Have an "ironman" shoot
 - High power rifle shoots
 - Open house (like last summer's novice day)
 - Summer Owl League dates are set
 - Dick Decatur – trying to contact Geiser Gun to buy Clay Targets
- ◆ New Business:
 - Jack Petraskie Memorial will be on January 16th.
 - Survival course – Anton Vatnitsky – 2 day long course which teaches long distance shooting and survival. Wants to hold in late February. 50% of money goes to club
 - Safety – Bill Jordan – safety rules need to be enforced; guns have been entering club without action open, people need to unload before getting off pads on field, glass containers found broken on range. Safety rules need to be given to every member.
 - New shooters (Skeet & Trap) - Frank Bottone – new members and shooters need to know how to load machines and should have safety rules reinforced to them

- Gate lock – Dick Decatur – possibility of new gate lock, the one currently used doesn't work well. A new lock was purchased but when many keys wouldn't open it we decided to leave it until May (someone severely damaged the lock –would be great to have a camera recording such actions).
