

Here is the October newsletter. Its a couple weeks late because I was on vacation in Utah (in the 70s & 80s while you all were having snow), and couldnt figure out how to do my distribution list on someone elses computer.

The Owl League trap shoot-off was held at our Club on October 4th. Our Club will not be participating in the Winter Owl League due to lack of interest. In fact, its questionable whether there will even be a Winter Owl League this year.

The final IDPA Action Pistol shoot of the year was held on October 10th. A big thanks to Jon Unruh, Randy Cornell, Jack Petraskie, Gerald Brickwood, and anyone else who helped setup and tear down.
